

Course Calendar

Fast Trak™ Training 2025

Upcoming events

May

05–09

Uppsala, Sweden

Advanced downstream bioprocess development DEV2

Language: English

[Click here to register](#)

06–08

Virtual class by Fast Trak EMEA

Introduction to ÄKTA chromatography systems and UNICORN 7.x control software

Language: English

[Click here to register](#)

Virtual class

13–16

Shanghai, China

Advanced bioreactor cultivation technology CELL1

Language: Chinese

[Click here to register](#)

14–15

Virtual class by Fast Trak USA

Advanced UNICORN system control for chromatography systems vUNI1

Language: English

[Click here to register](#)

Virtual class

20–22

Shanghai, China

Large-scale column packing COL1

Language: Chinese

[Click here to register](#)

20–22

Munich, Germany

Advanced hands-on training: “Automate your protein purification with ÄKTA™ chromatography systems and UNICORN™ control software using CiPP”.

Language: English

Registration to be announced

20–23

Songdo, South Korea

Advanced bioreactor cultivation technology pilot scale CELL2

Language: TBD (Korean/English)

[Click here to register](#)

27–30

Songdo, South Korea

Advanced downstream bioprocess development DEV2

Language: TBD (Korean/English)

[Click here to register](#)

Upcoming events

03–05

Marlborough, USA

Large–scale column packing COL1

Language: English

[Click here to register](#)

03–05

Uppsala, Sweden

Small-scale column packing COL2

Language: English

[Click here to register](#)

03–05

Virtual class by Fast Trak EMEA

Introduction to ÄKTA chromatography systems and UNICORN 7.x control software

Language: English

[Click here to register](#)

Virtual class

10–12

Shanghai, China

Introduction to design of experiments DOE1

Language: Chinese

[Click here to register](#)

11–12

Virtual class by Fast Trak USA

Advanced UNICORN system control for chromatography systems vUNI1

Language: English

[Click here to register](#)

Virtual class

June

Upcoming events

01–03

Shanghai, China

Bioprocess scale-up and technology transfer DEV4

Language: Chinese

[Click here to register](#)

08–10

Virtual class by Fast Trak EMEA

Introduction to ÄKTA chromatography systems and UNICORN 7.x control software

Language: German

[Click here to register](#)

Virtual class

15–17

Munich, Germany

Introduction to design of experiments DOE1

Language: English

[Click here to register](#)

22–25

Shanghai, China

Advanced bioreactor cultivation technology CELL1

Language: Chinese

[Click here to register](#)

29–31

Virtual class by Fast Trak EMEA

Introduction to ÄKTA chromatography systems and UNICORN 7.x control software

Language: English

[Click here to register](#)

Virtual class

July

Upcoming events

04–08

Shanghai, China

Advanced downstream bioprocess development DEV2

Language: Chinese

[Click here to register](#)

19–21

Shanghai, China

Introduction to design of experiments DOE1

Language: Chinese

[Click here to register](#)

19–21

Songdo, South Korea

Introduction to downstream techniques and bioprocessing DEV1

Language: TBD (Korean/English)

[Click here to register](#)

26–28

Munich, Germany

**Advanced hands-on training:
"Automate your protein purification with ÄKTA™ chromatography systems and UNICORN™ control software using CiPP"**

Language: English

Registration to be announced

August

Upcoming events

02–04 Virtual class by Fast Trak EMEA

Introduction to ÄKTA chromatography systems and UNICORN 7.x control software

Language: English

[Click here to register](#)

Virtual class

09–11 Songdo, South Korea

Large-scale column packing COL1

Language: TBD (Korean/English)

[Click here to register](#)

09–11 Shanghai, China

Large-scale column packing COL1

Language: Chinese

[Click here to register](#)

10–11 Virtual class by Fast Trak USA

Advanced UNICORN system control for chromatography systems vUNI1

Language: English

[Click here to register](#)

Virtual class

10–12 Tokyo, Japan

Downstream bioprocessing of monoclonal antibodies MAB1

Language: Japanese

[Click here to register](#)

22–26 Uppsala, Sweden

Advanced downstream bioprocess development DEV2

Language: English

[Click here to register](#)

16–18 Marlborough, USA

Introduction to downstream techniques and bioprocessing DEV1

Language: English

[Click here to register](#)

23–26 Shanghai, China

Advanced bioreactor cultivation technology CELL1

Language: Chinese

[Click here to register](#)

September

Upcoming events

07–09 Virtual class by Fast Trak EMEA

Introduction to ÄKTA chromatography systems and UNICORN 7.x control software

Language: German

[Click here to register](#)

Virtual class

21–23 Virtual class by Fast Trak EMEA

Introduction to ÄKTA chromatography systems and UNICORN 7.x control software

Language: English

[Click here to register](#)

Virtual class

28–30 Shanghai, China

Bioprocess scale-up and technology transfer DEV4

Language: Chinese

[Click here to register](#)

14–16 Uppsala, Sweden

Large-scale column packing COL1

Language: English

[Click here to register](#)

14–16 Munich, Germany

Advanced UNICORN system control for chromatography systems UNI1

Language: German

[Click here to register](#)

21–24 Uppsala, Sweden

Advanced bioreactor cultivation technology CELL1

Language: English

[Click here to register](#)

28–31 Tokyo, Japan

Advanced bioreactor cultivation technology CELL1

Language: Japanese

[Click here to register](#)

15–16 Virtual class by Fast Trak USA

Advanced UNICORN system control for chromatography systems vUNI1

Language: English

[Click here to register](#)

Virtual class

27–29 Munich, Germany

Small-scale column packing COL2

Language: English

[Click here to register](#)

28–31 Songdo, South Korea

Advanced downstream bioprocess development DEV2

Language: TBD (Korean/English)

[Click here to register](#)

October

Upcoming events

04–06 Uppsala, Sweden

**Introduction to
High-Throughput Process
Development—workshop HTPD1**

Language: English

[Click here to register](#)

04–07 Songdo, South Korea

**Advanced bioreactor cultivation
technology pilot scale CELL2**

Language: TBD (Korean/English)

[Click here to register](#)

10–14 Shanghai, China

**Advanced downstream bioprocess
development DEV2**

Language: Chinese

[Click here to register](#)

11–13 Munich, Germany

**Advanced hands-on training:
“Automate your protein purification
with ÄKTA™ chromatography systems
and UNICORN™ control software
using CiPP”.**

Language: English

Registration to be announced

11–13 Marlborough, USA

Large-scale column packing COL1

Language: English

[Click here to register](#)

18–19 Virtual class by Fast Trak USA

**Advanced UNICORN system
control for chromatography
systems vUNI1**

Language: English

[Click here to register](#)

19–21 Songdo, South Korea

**Bioprocess scale-up and
technology transfer DEV4**

Language: TBD (Korean/English)

[Click here to register](#)

25–27 Virtual class by Fast Trak EMEA

**Introduction to ÄKTA
chromatography systems and
UNICORN 7.x control software**

Language: English

[Click here to register](#)

25–28 Shanghai, China

**Advanced bioreactor cultivation
technology CELL1**

Language: Chinese

[Click here to register](#)

26–27 Virtual class by Fast Trak EMEA

**Introduction to cross filtration
principles vMEM1**

Language: English

[Click here to register](#)

November

Upcoming events

02–05

Songdo, South Korea

Perfusion cultivation technology CELL3

Language: TBD (Korean/English)

[Click here to register](#)

09–11

Shanghai, China

Introduction to design of experiments DOE1

Language: Chinese

[Click here to register](#)

10–11

Virtual class by Fast Trak USA

Advanced UNICORN system control for chromatography systems vUNI1

Language: English

[Click here to register](#)

Virtual class

December
