

Spare parts recommended to keep on site for FlexStand™ Low Void Volume Holders, FS-03LVS and FS-03LVS-30, and FlexStand Low Void Volume Systems, FS-04LVS-RLP and FS-04LVS-RLP/50.

Seals and tubing are considered as consumables and should be replaced annually or when needed. Inspect the seals and tubing for wear regularly. Please keep a set of each in your stock to prevent long downtime. For code numbers refer to the table below.

Description	Quantity / pack	Material	Code No.	Model no
Gasket 25 mm i.d. 13 mm (0.5 inch)	4	Silicone	56-4109-94	KG4S
