

Regulatory support website instructions

**Change control notifications and
regulatory support documentation**

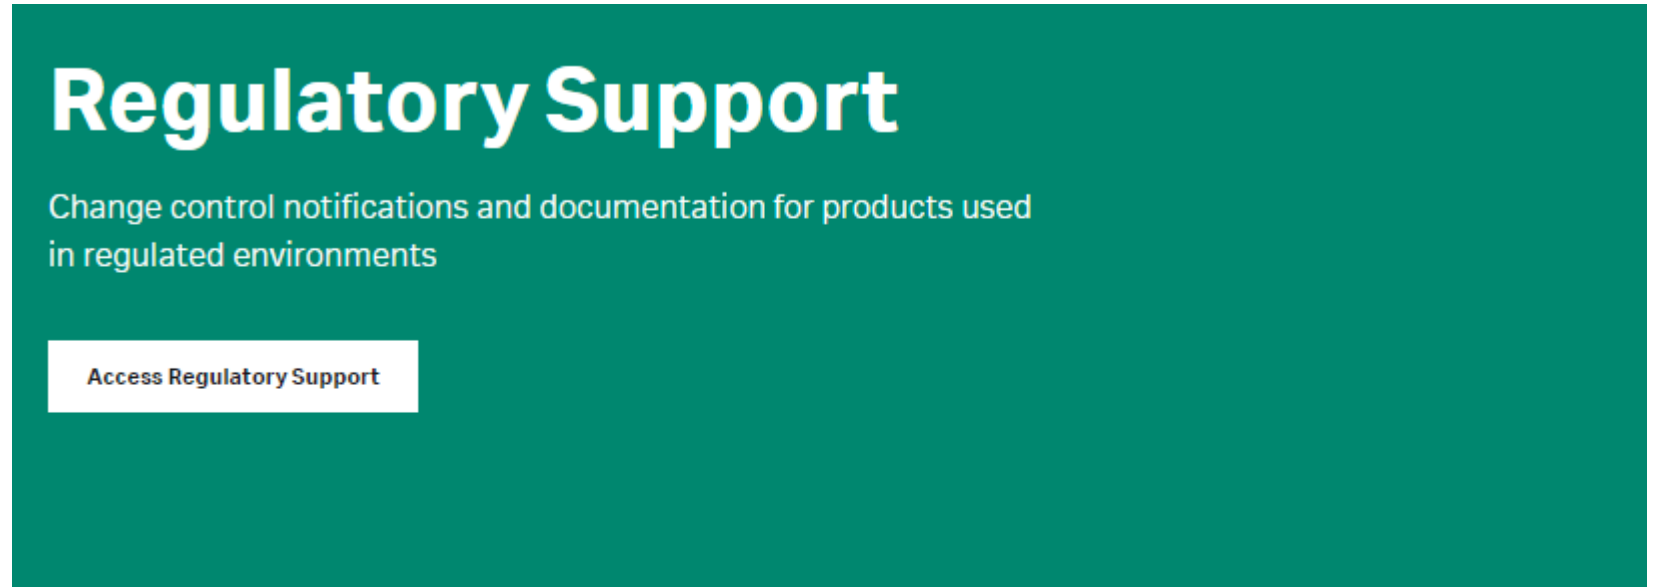

[cytiva.com/rsf](https://www.cytiva.com/rsf)
January 28, 2022

Log in to the website

Go to cytiva.com/rsf.

Click **Access Regulatory Support**.

A screenshot of the 'Regulatory Support' website header. The background is a solid teal color. At the top, the words 'Regulatory Support' are written in a large, bold, white sans-serif font. Below this, in a smaller white font, is the text 'Change control notifications and documentation for products used in regulated environments'. Centered below this text is a white rectangular button with the text 'Access Regulatory Support' in a teal font.

Log in to the website

If you already have an account, log in with your e-mail address and password.

If you do not have an account, click **Register Now** and follow the instructions to create one.

Please remember to register with your company e-mail address.

Consider using a shared inbox when subscribing to change control notifications (CCNs) to minimize communication gaps that can arise from personnel changes.

Start your subscription

After logging in, you will be redirected to **Search & Subscribe** on the regulatory support website.

Click the boxes to select which document types you want to subscribe to.

The screenshot displays the 'Regulatory support' section of a website. At the top, a dark blue header contains the title 'Regulatory support' and a subtitle: 'Streamline your life sciences journey with access to Change Control Notifications and regulatory support documentation.' Below the header, there are two navigation buttons: 'SEARCH & SUBSCRIBE' (highlighted with an orange border) and 'MY SUBSCRIPTIONS'. The main content area features five subscription options, each with an icon, a title, and a brief description:

- Change control notifications**: Represented by a bell icon. Description: 'Change control notifications (CCNs) for products used in regulated environments.'
- Regulatory support files**: Represented by a document icon. Description: 'Essential to process development, validation, and preparation of standard operating procedures.'
- Validation guides**: Represented by a document icon. Description: 'Essential to process development, validation, and more. Available for single-use products.'
- Validation support files**: Represented by a document icon. Description: 'Important information for manufacturing processes using our softwares.'
- Extractables information**: Represented by a document icon. Description: 'You can subscribe to extractables information for certain BioProcess products.'

Subscribe to CCNs

Follow the instructions online to search for a product.

SEARCH & SUBSCRIBE MY SUBSCRIPTIONS

  **Change control notifications**

Are you looking for resins, reagent kits, cell culture media, other chemical products, cell bags, flow kits, ReadyToProcess columns, or other consumables? Search by product code or product name. See examples below. When starting a CCN subscription, a subscription to Global CCN will automatically be added to your account. To find Global CCN on My Subscriptions tab/Change Control Notifications, select "Sort by product code" and then scroll to find category Global CCN.

 search for e.g. MabSelect, CB0010L11-11, 17051005, RTPUFP-300-E-65S, 888-0070-C, SH31039.02

Search for custom products. Tick the box and search by complete product code only. For custom HyClone products, please contact Hyclone.Changenotice@cytiva.com.

 **Are you looking for equipment and software - systems, instruments, multi-use columns, etc.?**

Subscribe by product category here – CCNs are published for spare parts and software.

Subscribe to CCNs

Search for a product code (e.g., 888-0070-C) to generate a list of search results.

Click **Subscribe** to subscribe to a product in the search results.

The screenshot displays the Cytiva website interface for searching and subscribing to Change Control Notifications (CCNs). At the top, there are two buttons: "SEARCH & SUBSCRIBE" (highlighted in blue) and "MY SUBSCRIPTIONS". Below this is a section titled "Change control notifications" with a bell icon. The text explains that users can search for various products like resins, reagent kits, and cell culture media by product code or name. It notes that starting a CCN subscription automatically adds a Global CCN to the account, which can be found on the "My Subscriptions" tab. Below this is a search bar containing the product code "888-0070-C". A checkbox option is provided for searching for custom products, with instructions to contact Hyclone.Changenotice@cytiva.com for custom HyClone products. A plus sign icon is used to expand a section titled "Are you looking for equipment and software - systems, instruments, multi-use columns, etc.?", with a note that CCNs are published for spare parts and software. Below this, it shows "Showing results 1 - 3 of 3". The first result is displayed in a table-like format with the product code "888-0070-C" and the product name "XDR-500 Pro Bag", followed by a green "Subscribe" button.

Confidentiality agreement

When you request your first subscription to regulatory support documentation, you will be prompted to accept our confidentiality agreement. Please note that CCNs do not require signing a confidentiality agreement.

To review and accept the confidentiality agreement, click ***View Agreement.***

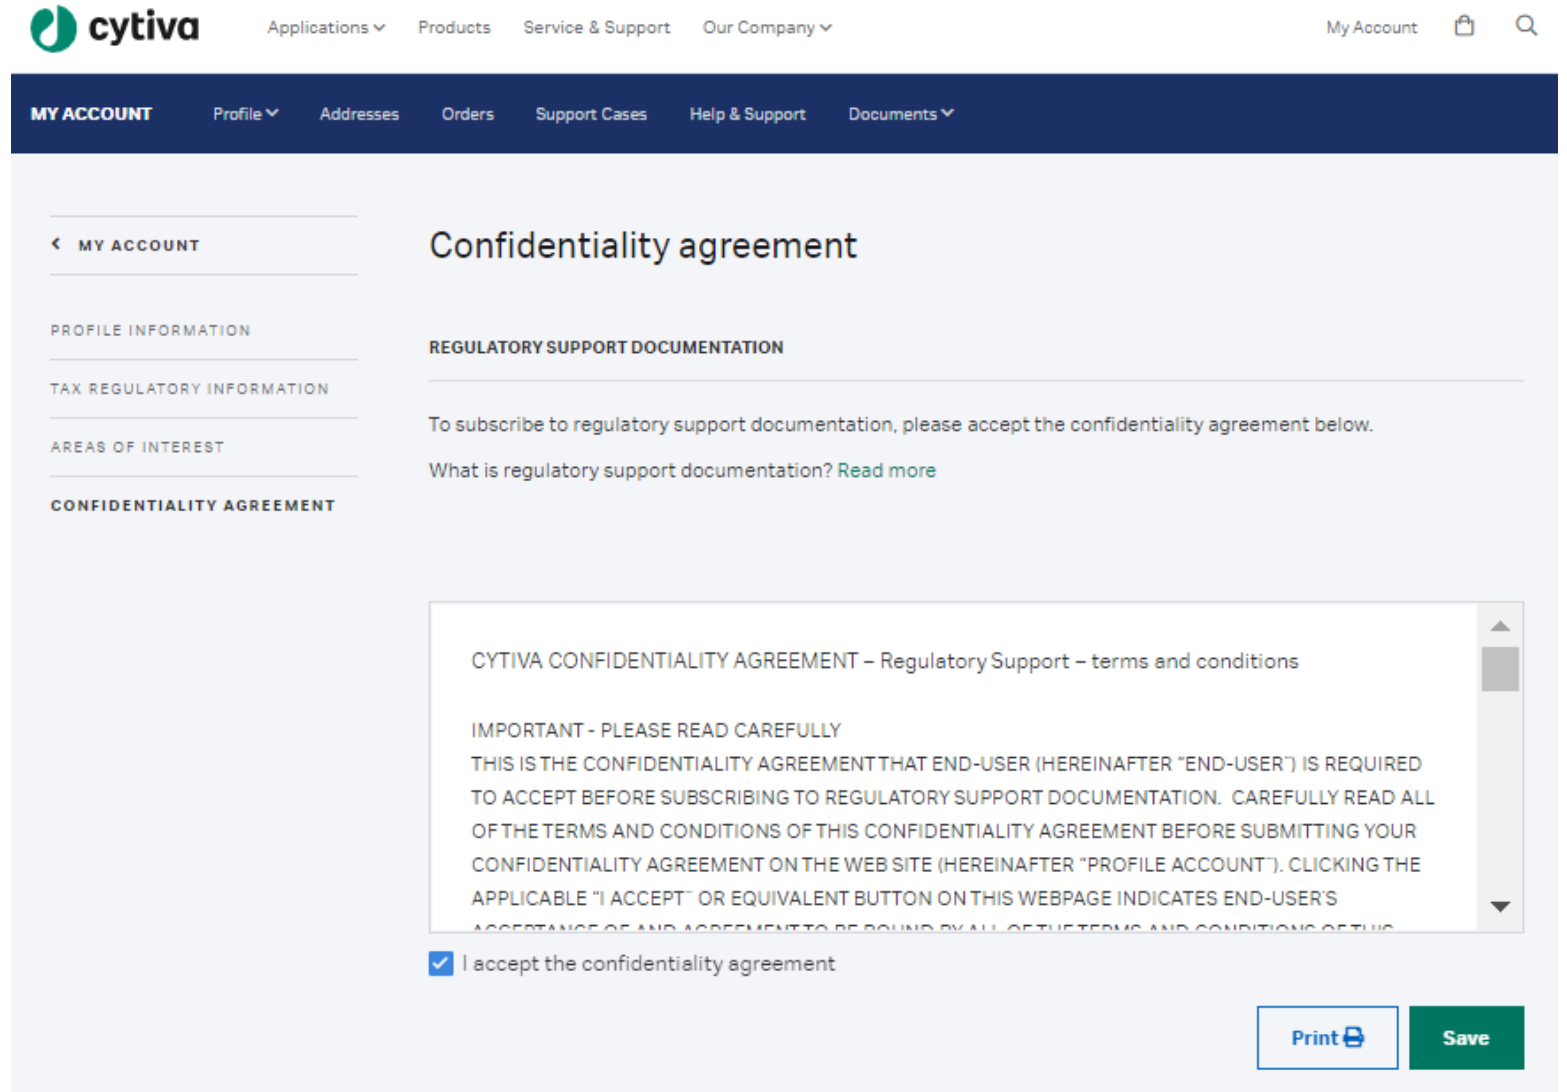

Confidentiality agreement

Select that you accept the confidentiality agreement and click **Save**.

The agreement is valid for one year. After one year, you will receive an e-mail to renew your agreement. You will also be prompted to renew the agreement online upon logging in to Cytiva.

When your agreement expires, you will still receive notifications for your regulatory support documentation subscriptions. However, you will not be able to access the files until you renew your agreement online.

The screenshot shows the Cytiva website's 'MY ACCOUNT' page. The top navigation bar includes the Cytiva logo, 'Applications', 'Products', 'Service & Support', and 'Our Company'. The 'MY ACCOUNT' section has a sub-menu with 'Profile', 'Addresses', 'Orders', 'Support Cases', 'Help & Support', and 'Documents'. The main content area is titled 'Confidentiality agreement' and is under the 'REGULATORY SUPPORT DOCUMENTATION' section. It contains the text: 'To subscribe to regulatory support documentation, please accept the confidentiality agreement below. What is regulatory support documentation? [Read more](#)'. Below this is a scrollable box containing the text: 'CYTIVA CONFIDENTIALITY AGREEMENT – Regulatory Support – terms and conditions' followed by 'IMPORTANT - PLEASE READ CAREFULLY' and a paragraph of legal text. At the bottom of the scrollable box, there is a checked checkbox and the text 'I accept the confidentiality agreement'. At the bottom right of the page, there are two buttons: 'Print' and 'Save'.

Subscribe to regulatory support documentation

When you subscribe to regulatory support documentation for the first time, our support team will review and approve your request. This process generally takes two business days to complete.

You will see an online notification while your request is being reviewed, and you will receive an e-mail once your request is approved. Once completed, you will be able to subscribe to most regulatory support documentation right away.

NOTE: Some subscriptions have an additional approval step due to the sensitive information they might contain. You will be notified online if your request requires additional approval. This step is also completed by our support team and you will receive an e-mail once your request is approved.

The screenshot shows a user account interface with a dark blue navigation bar containing 'MY ACCOUNT', 'Profile', 'Addresses', 'Orders', 'Support Cases', 'Help & Support', and 'Documents'. A green notification banner states: 'You have a pending subscription to RSF MabSelect, you will be notified when we have approved the subscription.' Below this is a section titled 'Regulatory support files' with a search bar containing 'mabselect'. The search results show a list of product codes (17519904, 17519906, 17519921, 17519903, 17519902, 17519922, 17519901) and the product name 'RSF MabSelect'. A green 'Subscribed' button with a checkmark is visible on the right side of the results.

View your active subscriptions

Go to **My Subscriptions** and select the document type of the subscription you want to view.

On this page you may also export a list of all your current subscriptions.
