To Whom It May Concern

Cytiva works with its suppliers to ensure compliance of articles imported or manufactured within the European Union that are subject to the REACH regulation (EC - No 1907/2006), Article 33, and used in the production of Cytiva products.

Regarding the application of Article 33 of the REACH regulation and the publication of the Candidate List of Substances of Very High Concern (SVHC) according to Article 59 of REACH regulation, Cytiva is aware of its legal obligations and will comply with them.

Cytiva articles do not "intentionally release" substances under normal conditions of use.

Based on information from our suppliers to date, the component containing > 0.1% SVHC in this Article has been listed in the below table. However, in Cytiva Article level, SVHC content is less than 0.1%.

SL#	Cytiva Article #	Article Description	SVHC CAS#	SVHC Chemical Name	Wt.% in Cytiva Article	Affected component (Contains SVHC above 0.1%)
1	28957238	Outlet valve V9-O2	7439-92-1	Lead	< 0.1%	Diode

Please do not hesitate to contact me if you have questions on specific products sold to you by Cytiva with regard to the REACH regulation.

Sincerely,

Sudhananda V
