

# Halal and Kosher Compliance Statement

## Regarding: Cytiva Bioprocess Single-Use Consumables and Filtration Products

### Background

Halal refers to products permitted under Islamic dietary law. Internationally recognized organizations certify that ingredients, production, and packing comply with the Islamic dietary guidelines.

Kosher refers to products permitted under Jewish dietary law. The responsible rabbinical authority certifies that ingredients, production, and packing comply with their religious requirements.

### Statement

It is hereby stated that the following Cytiva bioprocess products have not been certified Halal or Kosher and there are no plans to pursue such certifications in the future.

### Single Use Products

- ÄKTA™ ready, ready XL, readyflux™, and readyflux XL flow kits
- ReadyCircuit™ bags, sensors, jumpers, and filtration assemblies
- ReadyMate™ Disposable Aseptic Connectors (DACs)
- ReadyToProcess™ bags
- ReadyToProcess Hollow Fiber cartridges
- WAVE™ Cellbags and M\*bags
- Xcellerex™ assemblies

### Filtration Products

- Hollow Fiber Cartridges
- ULTA™ filters

Cytiva appreciates the opportunity to serve our valued customers and is dedicated to improving our capabilities to manufacture and deliver products and services that meet or exceed your needs consistently.
