

# Halal and Kosher Compliance Statement

## Regarding: Cytiva bioprocess single-use consumables and filtration products

### Background

Halal refers to products permitted under Islamic dietary law. Internationally recognized organizations certify that ingredients, production, and packing comply with the Islamic dietary guidelines.

Kosher refers to products permitted under Jewish dietary law. The responsible rabbinical authority certifies that ingredients, production, and packing comply with their religious requirements.

### Statement

It is hereby stated that the following Cytiva bioprocess products have not been certified Halal or Kosher and there are no plans to pursue such certifications in the future.

#### Single Use Products

- ÄKTA ready™, ÄKTA ready XL, ÄKTA ready 450, ÄKTA readyflux™, and ÄKTA readyflux XL flow kits
