Article statement regarding Nitrocellulose membrane filters

This statement is written in order to confirm that products of the type **Nitrocellulose membrane filters** are considered to be an 'article' in the meaning of EU regulation 1272/2008 and other similar regulations worldwide and therefore are out of scope of the requirement for Safety Data Sheets and chemical products labelling.

Nitrocellulose membrane filters come in a variety of shapes and sizes, the amount of Nitrocellulose in the filters can vary and they are all covered by this statement.

Best regards

A handwritten signature in blue ink, appearing to read 'Tomas Winbladh', is written over a horizontal line.
