

Inflationary Surcharge Notification Letter

Dear valued Customer,

I'm reaching out to you today for two reasons: 1) to thank you for your valued partnership with Cytiva and 2) to share important news about our pricing.

For orders placed on or after June 1, 2022, Cytiva is implementing a temporary 2% inflationary adjustment on top of the order value to address immediate unprecedented cost pressures driven by external economic factors from steel, electronics and utilities to shipping of our raw materials.

We will be monitoring economic factors and costs with the objective to revise the applied surcharges when market conditions improve but, while these surcharges apply, you will see them listed as an additional line item on our quotes, order acknowledgements and invoices. Where applicable, you may need to reflect this surcharge in reissued POs.

Please feel free to contact your Cytiva Account Manager or our Customer Service organization should you have any questions. We appreciate your continued partnership.

Sincerely,

Clement Fourny
GM Commercial Strategy & Operations
